

NOTE: you may have to reverse the design if adding fusible backing. Follow the manufacturer's guidelines for the type of fusible you choose.

These templates are designed for raw edge applique, if you are going to do needle turn applique you will have to add 1/4" more fabric along the outer edges of the fabric when you are cutting. This pattern was created to fit in a 6.5" unfinished block as required by Sew Much Fund Tour. Complimentary pattern & will be available until the end of the September 2021. After that you will be able to purchase a pattern on the website under the category "Patterns for Appliques"

Laser precut applique kits are available for purchase for a limited time only.
