

NOTE: you may have to reverse the design if adding fusible backing. Follow the manufacturer's guidelines for the type of fusible you choose.

These templates are designed for raw edge applique, if you are going to do needle turn applique you will have to add 1/4" more fabric along the outer edges of the fabric when you are cutting.

Laser precut applique kits are available with additional applique pieces at [www.appliquesquiltsandmore.com](http://www.appliquesquiltsandmore.com)
