**NOVEMBER 2024**

**Issue #11**

*we're so glad you're here!*

It's hard to believe Thanksgiving is just around the corner. Everyone has something to be thankful for no matter how small it may be. I'm extremely thankful for the continued support you have given me throughout the years. I'm truly blessed. As most of us will be celebrating with our families & friends, let's remember to pray for those who have lost their loved ones, homes, pets & businesses in the recent month.

On the lighter side, Heidi I had went to Quilt Market/Festival in Houston this year. It was one of our goals. As a retail store, we do not have the advantage of seeing & touching the fabric because it's all ordered online.

Having been disappointed in some of the colors of the fabric purchased lately, we made a list of fabrics to check out. As it turns out, some of those choices were not as pretty or vibrant in person, so they were eliminated. Some of the fabric, we didn't like online, was gorgeous in person. So needless to say, we'll have a lot of new fabric in the shop being delivered next year.

So stay tuned to see photos, kits & classes using all that really awesome fabric. NOTE: We will also be adding fabric to our website next year as well.

We will also be offering a new line of fabric "Cuddle" at the shop & online. To start our journey, we chose some of their project kits. There will be upcoming classes in the new year featuring the Cuddle precut kits. Dates and projects will be posted on the website after the new year.

We've created some fun & quick projects for the upcoming holiday/winter season. These would be great as Christmas gifts, stocking stuffers or a nice hostess gift should you be invited to a holiday get together.

There are cute towel applique kits & mug rug kits.
